Dear Sir:

Applicants gratefully acknowledge the Notice of Allowance, mailed February 10, 2004. Applicants note, however, that the Notice erroneously indicates that claims 0.71 and 1 are allowed and that there is no indication that the drawings have been accepted.

In a telephone conversation with Supervisory Examiner Nevin on May 10, 2004, Applicants requested confirmation that the allowed claims should be 1-85 and that the drawings were accepted. Supervisor Nevin reviewed the application file and stated that the drawings were accepted, but indication of such acceptance was erroneously omitted from the Notice of Allowance. Supervisor Nevin also stated that the Notice of Allowance should have indicated that the allowed claims are 1-85. Finally, Supervisor Nevin stated that a Supplemental Notice of Allowance, noting that the drawings are accepted and the allowed claims are 1-85, would be faxed to applicants as soon as possible.
